

State of Alaska FY2010 Governor's Operating Budget

Department of Health and Social Services Community Health Grants Component Budget Summary

Component: Community Health Grants

Contribution to Department's Mission

The department's mission is to promote and protect the well being of Alaskans. In support of this mission, the Community Health Grants component provides financial assistance to non-profit organizations and local government entities for the support of community-based health programs.

Core Services

- Provide grant funds, as well as guidance and technical assistance, to grantees for training and supervision of community health aides in rural areas of the state.
- Provide grant funds, as well as guidance and technical assistance, for community-based agencies to develop health promotion and education activities.

FY2010 Resources Allocated to Achieve Results

FY2010 Component Budget: \$3,587,700	Personnel:	
	Full time	0
	Part time	0
	Total	0

Key Component Challenges

Recruitment, retention, and provision of continuing education for community health aides and community health practitioners.

Need to strengthen rural health networks among hospitals, primary care clinics, and emergency medical services providers.

Significant Changes in Results to be Delivered in FY2010

No significant changes in results to be delivered in FY2010.

Major Component Accomplishments in 2008

Eleven grants, totaling \$590.5 were awarded to fund community health aide/practitioners (CHAP) training and supervision. Five grants, totaling \$946.8, were awarded to support community-based planning, intervention, and health promotion projects and Native corporations as multi-program grants in support of public health functions (e.g., public health nursing, CHAP training and supervision, EMS, tuberculosis control, and injury prevention). In the following years, multiprogram grants have been eliminated.
